

Show and Sell Location Ideas

Reminders for Show & Sell Locations:

A Scout is Helpful... Visit or call locations early for the Sale.

A Scout is Safe... Keep in mind direction of the entrance, the sun can be quite hot if you're facing it.

A Scout is Courteous... When reserving your day, ask the business where you can set up or restrictions.

Be Prepared... Check with the store the day before, conflicts have been known to happen.

A Scout is Friendly... Don't forget to thank the Store Manager for the opportunity to sell at their store.

If a store needs verification you are able to sell, the council can provide that for your unit:

- Email request made directly to Patty Freuler at Popcorn@ThreeHarborsScouting.org
- You will need to provide business and manager contact information
- We will provide you with a formal letter to give to the business contact.

Where could we sell?
